**Reasons for excisions:**

The publication is dedicated to sexually explicit activity. It requires three excisions to the second scene in order to remove strongly degrading, dehumanising and demeaning sexual conduct. The scene presents a woman as an object for male sexual gratification. There is little regard for the woman's safety, comfort, enjoyment or dignity.

The man's conduct in this scene suggests to the inexperienced male viewer that women can endure a high degree of discomfort during sexual activity, enjoy being degraded and dehumanised, and further that they find this conduct arousing.
